Our Big Family Reunion!!

It is with much joy and celebration that we can announce the return of our son Greg and his wife Penny with our four precious grandchildren to Port Elizabeth, South Africa! They have a 4 year old daughter, Caylah; a 1 1/2 year old son, Nathan and 4 month old twin boys, Matthew & Benjamin. They arrived home 3 weeks ago and we are enjoying every moment of having our whole family together again.

Celebrating 60 years of life!

I was so touched to receive all your birthday messages to me on my 60th birthday in September. Each message has been beautifully bound into a keepsake book that I will always have to reflect on. We had a wonderful time celebrating with friends and loved ones.

Men of Honor

Our new book "**Men of Honor**" is gaining momentum as groups of men are forming to work through the book and hold each other accountable in their journey with God. So far we have about 25 groups of men who meet regularly to work through the book and we are beginning to hear testimonies of what God is doing in the lives of these men and their families. A lady spoke to me the other day and said that she had read the book and felt that every woman should read it to know God's call on men and how women should be treated!

We are developing a "Men of Honor" website where men can stay connected as we journey this road together. For more information please see our website: www.menofhonor.co.za which should be on line from the end of November.

Men of Honor Breakfast

The best way to launch this initiative is to have a men's breakfast. Each man receives a book and is encouraged to join or start a group to work through the book over 8 weeks. It could be a powerful outreach tool for your church. The cost involved is R100 including a book and breakfast per person attending.

If you would like to host a Men of Honor Breakfast at your church, please call me at the office at 041 581 8442 to book a date in 2009.

“The Power of Mercy” Books ready for re-print

It's one year later since we printed and launched our first book “The Power of Mercy to Change your World” and they are almost sold out.

We have heard so many amazing testimonies of lives changed through the book. One lady said to us “My whole family has been changed!”. We praise God for the power of His mercy which continues to transform people's lives daily!

We are now getting ready to re-print the next batch. The name will be changed to “**God's River of Mercy ... Power to Change your World.**”

Woman of Peace

It's been a joy for us to see how the Lord has extended the boundaries of Woman of Peace this year. In our own city, it is now being facilitated in many different churches and outside settings. Camps and conferences have been run around the theme of Woman of Peace this year. Our “Peace Warriors” conference in Kenya was very fruitful and groups continue to form there, in fact, they will be graduating approximately 70 Women of Peace ladies at a banquet at the end of this year. Benjaline Akenga has also pioneered a group in London at a counseling center. Etheline Wiese visited Holland in September and launched Woman of Peace there. We are so grateful for all the faithful facilitators that have partnered with us in this venture.

Year end Dates

What a full year it has been for all of us! I'm sure that you are all looking forward to a well deserved rest with your loved ones at the close of this year. Just to let you know in advance, we will be closing the office on Friday the 19th December and opening on Monday the 12th January. Please be sure to get any of your orders in by the latest 12th December.

We will send out a year end letter next month, but once again wish to thank each of you for all of your love and support over this year. We value each of you so much and thank God that we can serve together in building His Kingdom by touching families across the nations with His heart!

Much love,
